

GCM2000 – Grading Checklist

Self-Assessment and Reflection Summary

Student: _____

Evaluator: _____

Date: _____

Purpose: This assessment is designed for students to collect the results from their personal assessments undertaken during the online and in-class portion of week 2.

Instructions: fill out the assessment results template (provided by the instructor) and submit related documentation via the dropbox feature in eConstoga. Complete all sections to receive a grade. Incomplete submissions will not be accepted.

Value: The Self-Assessment and Reflection Summary is worth 5% of final grade.
