# Job Search Strategy

## CAREER GOALS PLANNING WORKSHEET

**1. Decide What You Want to Do: Setting Career Goal** Goal (Specific, Measurable, Achievable, Realistic, Timely)

**Benefits of Achieving Goal** 

**Costs to Achieving Goal** 

2. Turn It Into Smaller Goals: Specific Objectives to Achieve Goal

| Objectives |  |  |
|------------|--|--|
| 1.         |  |  |
| 2.         |  |  |
| 3.         |  |  |

3. Work Towards It: Plan to Meet Objectives

#### Objective 1:

| Steps | <b>Target Date</b> | <b>Date Reviewed</b> | Date Completed |
|-------|--------------------|----------------------|----------------|
| 1.    |                    |                      |                |
| 2.    |                    |                      |                |
| 3.    |                    |                      |                |

#### Objective 2:

| Steps | <b>Target Date</b> | <b>Date Reviewed</b> | Date Completed |
|-------|--------------------|----------------------|----------------|
| 1.    |                    |                      |                |
| 2.    |                    |                      |                |
| 3.    |                    |                      |                |

### Objective 3:

| Steps | <b>Target Date</b> | <b>Date Reviewed</b> | Date Completed |
|-------|--------------------|----------------------|----------------|
| 1.    |                    |                      |                |
| 2.    |                    |                      |                |
| 3.    |                    |                      |                |
